

Johan Bygge elected new Chairman of the Board for Regin Group

The owners of Regin Group have appointed Johan Bygge as Chairman of the Board, replacing Olof Sand.

With a constant focus on people's well-being in a sustainable future, the Regin Group has achieved significant revenue growth by offering market-leading solutions for climate control and energy optimization in buildings. Regin Group is active in Europe with subsidiaries in 10 Countries. The acquisition of DEOS in 2022 added a complementary product portfolio and strengthened Regin Group's market position in Germany.

"Regin Group has during the last four years more than doubled revenue to approx. SEK 950 MSEK with improved operating profitability and cash flow", says Fredrik Wiking CEO & President of Regin Group.

Leif Brattschöld, member of the board and co-owner in Regin Group, says further "To support the continued strong development, the owners of Regin Group have decided to appoint Johan Bygge as Chairman of the Board. We would also like to thank Olof Sand for his contributions during his five years as Chairman of Regin".

Johan Bygge has extensive experience from the Group management teams of Electrolux, Investor AB, EQT and, from board positions with listed companies. His current roles include Chairman of the Board for Scandi Standard and Guard Therapeutics. Additionally, Johan Bygge serves as Board Director for Getinge, Lantmännen and Capman. Furthermore, Johan Bygge has experience i.a. as Board member at Anticimex, I-Med, etc.

"I'm honored to take on the role as Chairman of the Board of Regin Group, a company with an impressive development. The strong offering, coupled with the rising demand for intelligent buildings, positions Regin Group as a leader in driving the transition towards a more sustainable energy future", says Johan Bygge.
